PLEASE SUPPORT OUR NEW KITCHEN TEAM!

Kat Kingdom

Please stop by and support our rescue organization with a donation, buying a cup of coffee - or even by adopting a new pet, and maybe a future star.

Kat Kingdom has participated with our shows for many years, although not always under the same name. They are a cat-centric rescue organization that uses a foster network to care for cats needing forever homes. They also work to manage feral populations via trap/neuter/release and food placement.

Please reach out to Johnnye Crowell at katkingdom101@yahoo.com or 205-260-7764.

Over the years, Johnnye's organizations have adopted out over 100 cats at TICA shows and through contacts made at our shows. We truly appreciate the partnership through the years and we believe it is proof that rescues and the cat fancy CAN work together and help each other.

The Acrith Award

Rebekah Cumbie was an active breeder of Maine Coons for over 30 years, even up until the moment of her passing, July 4, 2005. She specialized in breeding reds. She was a lover of all cats, a great supporter of the fancy in many ways, and served as President of Alabama Paws & Claws for at least five years until she left us. Alabama Paws & Claws would like to honor her by recognizing the best red entry in show. Cats with the color red in their color description or red and white are eligible.

The Catalytic Award

Veronia Hill and her husband David were started breeding Maine Coons under the cattery name of Catalytic in the late 1990s joined Alabama Paws & Claws Cat Club. They retired from breeding and showing by 2006, but were still wonderful supporters of the club. Veronia would work tirelessly to sell raffle tickets and work the gate all weekend long. After the onset of an aggressive cancer, we lost Veronia in September of 2008. The Catalytic Award is awarded to the highest scoring Maine Coon cat, kitten or alter in the show to honor her contributions to Alabama Paws & Claws.

The Ashpurr Award

Betty Dudley was an active member of the cat fancy long before Alabama Paws & Claws or TICA. She was one of the charter members of Alabama Paws & Claws Cat Club in 1981 and served the club in every possible capacity. She was an absolutely sweet and gentle lady that was always willing to help in whatever capacity. Betty bred American Shorthairs under the cattery name of Ashpurr and is best remembered for some of the most stunning silver classic tabbies. Betty had retired from the fancy for several years before she passed in June of 2009. The Ashpurr Award is presented in her honor to the highest scoring American Shorthair cat, kitten or alter.

The April Award

One of the first cats Tanya (Carey) Walbrun ever owned as a child was an odd-eyed solid white and as some of you already know, she has had an affinity for them since that time. The CareyCats' very first International Win in TICA was with a very special odd-eyed white household pet rescue - *IW SGM Aprilz Lucky Charm of CareyCats*, who passed away on November 21, 2010. Tanya (Carey) Walbrun and Alabama Paws & Claws would like to honor her by recognizing the best white entry in show. Solid white cats in any class are eligible.

The Oliver Award

LA SGM Oliver of Catsanhata was Honey Gilmore's first international winner and SE Best HHP for the 1996-97. But more than that he was her best friend through thick and thin. During his big campaign season, Ollie was awarded a 3rd Best AB HHP at the High On Cats Show in Denver, CO by Bobbie Tullo. During the final, Bobbie commented that the cat's eyes matched the owner's. To this day, Honey considers this one of the highest compliments she ever received. This award is not based on points but the careful consideration of club members and is presented to the entry with the most stunning green eyes. In memory and honor of Ollie, 05/06/1995 – 01/22/2014.

- CORRECT REGION

The International *Cat* Association Are You Missing Points?

If your kitten or HHP is shown once without a registration number, which is permitted, you must write the Executive Office after the cat has been registered, requesting that the points won in this show be scored. You should provide the cat's name, the registration number, the region, the name and date of the show, and the entry number of the cat in that show.

You should check your cat's entry information in every show catalog you are listed in. Items which must be correct are: the spelling of the cat's name, the registration number, and the region. If any of these are listed incorrectly, it could result in your cat's points being split between two different names, numbers and/or regions or in not being scored at all. This would lower the total point count and possible cause you to lose an award which your cat is entitled. If any of these items are incorrect, give the correction in writing to the master clerk and make sure the correction is listed in the master catalog. Remember that the registration number must include the final three or four digits in order to be a valid registration number. If these digits are omitted, it is handled by the scorer as if the cat is not registered.

601.1 Unregistered Cats. Unregistered cats may be shown only once in TICA without a registration number. All points and/or wins for titles and/or Annual Awards acquired by an unregistered cat in the second and/or subsequent shows shall be irrevocably lost. The exhibitor is obligated to furnish the registration number to the entry clerk or master clerk and the Executive Office. In order to obtain credit for any points and/or wins received at the first show where the cat, kitten alter or household pet adult was shown as unregistered, the owner must notify the Executive Office in writing requesting the first show to be credited and stating the name, date and location of the show, and the name, breed (if applicable), registration number, and entry number.

If you are showing a Household Pet Kitten, please use the same name and birth date every time you show the kitten. If you change the name and/or birthday, the kitten is scored as two different kittens with two different scores. Again, this could make the difference in getting an award or not getting one.

Your cat is not scored if there is no Registration Number listed!!!

Your cat is not scored if the Registration Number is incomplete!!!

Your cat is not scored if the Registration Number is wrong!!!

Your cat's score is split if the Region is listed incorrectly!!!

Your cat's score is split if the name is listed incorrectly!!!

Changes/corrections must be received in the Executive Office by May 7th.

Regional Awards are presented to the Top 25 Cats, Kittens, Alters, and Household Pets, and the Top 10 Household Pet Kittens at the Regional Awards Banquet. These top winners are featured in slide presentations at the Regional Awards Banquet. The Top 10 Cats, Kittens, Alters, and Household Pets, and the Top 5 Household Pet Kittens in each region are featured in the TICA YEARBOOK in color, free of charge. (Some regions purchase pages in the TICA YEARBOOK to feature the 11th-25th Top Cats, Kittens, Alters, and Household Pets, and the 6-10th Top Household Pet Kittens in black and white.) In addition, the Regional Top 25 Longhair and Shorthair Cats, and Breed Award winners, are honored at the Regional Awards Banquet. All winners are notified by letter by the appropriate Regional Director. The Top 2 Cats in each color (in their respective breeds) receive a color certificate by mail from the appropriate Regional Director.

International Awards are presented to the Top 25 Cats, Kittens, Alters, and Household Pets, and Household Pet Kittens at the Annual Awards Banquet. These top winners are featured in slide presentations at the Annual Awards Banquet and in the TICA YEARBOOK in color, free of charge. In addition, the Top 25 Longhair and Shorthair Cats, and the Best Cat in each breed are honored at the Annual Awards Banquet. International Best of Breed winners are also pictured in the TICA YEARBOOK. All awards earned during the show year will be listed accordingly for every region or recognized area and internationally.

The Executive Office is responsible for the International Awards. After Regional Directors lists are furnished, notification letters are mailed to International Award winners of the Top 25 Cats, Kittens, Alters, and Household Pets, and Household Pet Kittens, and to the Top 25 Longhair and Shorthair Cats and the Top Cat, Kitten, and Alter in each breed. The second and third best Cats, the Top 3 Kittens, and Alters in each breed and the Top 3 Cats in each color (in their respective breeds) receive certificates together with their notification letters.
