

To The Show Hall – These directions are mostly taken directly from their site and do not take you directly to the South Exhibition Hall. The South Exhibition Hall is on the along 9th Avenue North – next to the interstate. It is also next to the Arena (formerly the Coliseum) See the map on the reverse side for better detail on how to get to the right building.

NOTE: You may unload in the loading dock marked on the map – but you may not park there. There is free parking on the street and in lots under the interstate – meters are not paid on the weekend. You do have to feed them on Friday.

From Huntsville, Montgomery or Tuscaloosa (this will be the majority – if travelling on I-65, note that these exits are quick once you get on to I-20/59. Coming from the north - Fultondale LQ – You have to get all the way over to the right very quickly. You are in the exit lane if coming from the South – Lakeshore hotels.)

At the downtown interchange of I-20/59 and I-65 take I-20/59 east to Atlanta and Gadsden. Take the 17th Street exit (125A) and turn left on to 8th Avenue (first light). Take left on 19th Street, go under the interstate, take a right onto 9th Avenue North. The Arena is on the left side of the street, then the South Hall.

From Atlanta and Gadsden

Take 22nd Street exit from I-20/59 west (125) At bottom of ramp go straight across 22nd Street. At the next intersection take a right on to Richard Arrington Jr. Blvd North, then a left onto 9th Avenue North. The South Exhibition Hall will be on your right – you will see the unloading area first.

To Hotels –

State Farm Parkway Exit Hotels – Off I-65 from either direction - take exit 255, Lakeshore Parkway/Drive.

I-65 Southbound – from downtown, take a right at the end of the exit ramp. Take a right at the first light, and then a right at the next light. This puts you on State Farm Parkway. Follow it around until you see your hotel.

I-65 Northbound – From Montgomery, etc. Take a left at the top of the exit, go across the interstate. Then take a right at the first light, then the next right onto State Farm Parkway. Follow around.

Motel 6 – Vulcan Road – Take exit 256A, Oxmoor Road, from either direction.

I-65 Southbound – Go right at the bottom of the ramp. Take your first right onto Vulcan Road, veer to the right when the other road merges and proceed up the hill to the motel.

I-65 Southbound – Go left at the bottom of the ramp, under the interstate. Take your first right onto Vulcan Road and follow directions above.

LQ in Fultondale – off of I-65, take exit 267, Walkers Chapel Road, from either direction.

I-65 Northbound – from downtown. Go right at the end of the exit ramp. Turn left at a light onto Morris Avenue (not the first light). (You should see the LQ sign down the hill). Left onto Boots Blvd.

I-65 Southbound – from Huntsville, etc. Go left at the top of the exit, back over the interstate. Turn left at a light onto Morris Avenue (not the first light). (You should see the LQ sign down the hill). Left onto Boots Blvd.

As a general note, when travelling through the heart of downtown – which is where I-65 and I-59/20 interchange, be aware that you often enter the other interstate onto an exit only that you may not want to take. Unfortunately, not enough space here for all those details. If you haven't been to this facility before please be alert, not on your cellphone, not texting. GPS' may not know all these quirks either. Once you know them, it is easy.
